PhD Thesis in mathematics - arXiv

Introduction 6 The existence results for Khas'minskii and Evans potentials are the core of the article [Val12a] In collaboration with L Mari, we were able to adapt (and actually improve and simplify) the techniques used in [Val12a],

Math 13 – An Introduction to Abstract Mathematics

In this sense, abstract mathematics is much more of an art than a science No-one measures the quality of a painting or sculpture by how useful it is, instead it is the structure, the artist's technique and the quality of execution that are praised Research mathematicians, both pure and applied, view mathematics the same way
